"Gallo Giro" se conoce como a cualquier gallo de pelea de tono oscuro y con plumas de color amarillo o plateado en la zona de su cuello y alas, por lo que el "Giro" no es una raza o línea, si no un color de gallos.

"Gallo Giro" is know as any dark huesd fighting rooster with yellow or silver feathers in the area of its neck and wings, so the "Giro" is not a breed , but a color of roosters.
